Presented by Legacy Place Society

INSIGHTS

Join us in Calgary on October 1, 2025, as Legacy Place Society, in partnership with Calgary Police Service, Calgary Fire Rescue Services, Alberta Health Services - EMS, RCMP, City of Calgary Emergency Management, and 911, co-hosts the 8th Annual First Responders Suicide Awareness and Behavioural Health Symposium in recognition of World Suicide Prevention Day.

This event unites first responders and their families to honor those lost to suicide, support those suffering in silence, and strengthen resiliency and healthy workplaces through awareness and education. Participate in this vital gathering to learn, connect, and promote understanding, compassion, and hope.
